

Wireless Networking, **Simplified.**

RF Direct is a value-added distributor delivering trusted wireless networking products, knowledgeable support staff, and responsive service for organizations that are deploying reliable connectivity in demanding environments.

Why **RF Direct?**

- ✓ Best-in-class wireless networking products
- ✓ Trusted manufacturers and proven products
- ✓ Knowledgeable support for integrators
- ✓ Practical guidance on radios, antennas, cables, enclosures, connectors, mounts, and accessories
- ✓ Support in building complete and accurate BOMs

Outdoor Wireless Systems

Point-to-point and point-to-multipoint systems for long-range, high-capacity wireless connectivity in outdoor and hard-to-wire environments.

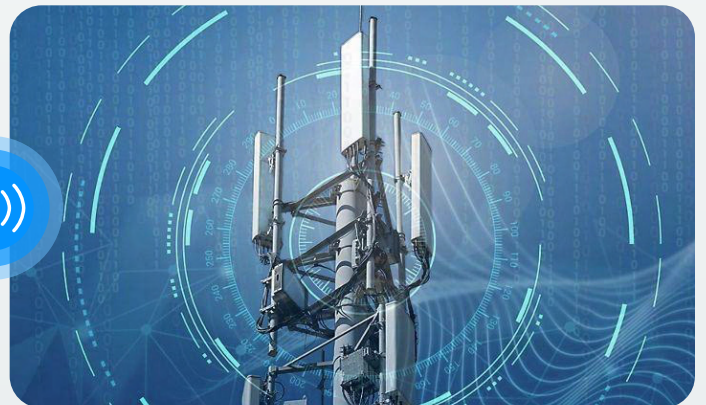

Rural Broadband

Reliable wireless connectivity for rural communities, remote properties, and hard-to-reach locations where traditional infrastructure isn't practical.

Antennas, Accessories & Tower Solutions

Antennas, cables, connectors, enclosures, mounts, and accessories help complete each deployment with the right supporting infrastructure.
